

# Welcome!

**Lunenburg**  
**PTO** Working together,  
we can make things  
happen!

The Lunenburg PTO is a system-wide organization comprised of Parents, Teachers, Administrators and Community members committed to promoting the "best" educational experience for our children in the Lunenburg Public Schools.

## Your Annual Membership Matters!

Did you know that you don't need to attend all the meetings to make an impact and be an active member of the Lunenburg PTO? Your membership helps the PTO in **our mission to foster a cooperative connection between parents and educators**. Funds raised by the PTO directly benefit our schools, providing enrichments and learning resources and materials, which might otherwise not be possible. **The PTO has donated over \$37,000** over the past two school years to benefit students throughout the district, but we can't continue this mission on our own, **we need your support!** Sign up today!
